## Worst Of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered. For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It guaranteed by Oberdorfer, the druggist.

## Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from J. T. McFarland, Bentonsville, Va., serves as example. He writes: "I had bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Oberdorfer, the druggist. Trial bottles free, regular sizes 50c and \$1.00. 1jan

It is strange that a woman who laughs at a foolish cat because it spits on its foot and washes its face will stir up the dust in her room with a bunch of turkey feathers and sit serenely down in a "clean" room after the dust settles again.

## A Record Breaker.

Secretary Horace Wilson, of the Kentucky Trotting Horse Breeders' Association, made the official announcement Wednesday that the December payments on the weanling foals entered in the \$22,000 Kentucky Futurity, which have now all been made, show that the remarkable high average of nearly 90 per cent. of the original nominations have remained in. This eclipses all previous records for a nomination race and the actual figures show that out of 1,001 mares nominated in March last, 873 of their foals have been made good. This is the highest percentage ever attained in a Futurity in the history of the American turf.

Nothing of a sensational nature has developed in the testimony given in the Marcum damage trial at Winchester for several days. Many of the defendants' witnesses testified as to the character of B. ## A Double Hanging.

John Butler and Guy Reed, two negroes, were hung at Thompson, Ga., Tuesday, for the murder of Charles G. Story there just 27 days ago. Just before the black cap was slipped over the head of Butler, with a grin on his face, he said to the Sheriff: "Boss, I'm ready to skin the cat."

## AMUSEMENTS.

—“Happy Hooligan,” that comic character taken from F. Oppers’ clever caricatures by Frank Dumont, and placed in fancied scenes, which smack of reality and are spiced with abundant side-splitting scenes and rib-tickling wit, in which that noted character appears has evoked an instantaneous amount of enthusiasm and won a substantial monetary support such as no musical farce has done in recent years. This big laughing success with its cast of great artists will appear soon at Paris Grand. The piece sparkles with bright lines, and the music has a rhyme and jingle of pretty and catchy songs up to the standard of light opera. The principal characters are in the hands of Frank McNish, John Price, Charles Graemlich, Ruby Raymond, Eva Thatcher, Charles Saunders and Joseph Pettengil.
